

# Personal Injury Law Funding

FINANCIAL ASSISTANCE TO COVER THE COST OF LEGAL DISBURSEMENTS

DO YOU HAVE A PERSONAL INJURY LEGAL CLAIM?  
WE CAN PROVIDE AN ADVANCE AGAINST YOUR  
FUTURE SETTLEMENT TO HELP COVER THE COST  
OF YOUR LEGAL DISBURSEMENTS

A QUANTUM ADVANCE

- A Quantum advance helps cover the cost of disbursement expenses in your personal injury claim
- These costs arise as part of pursuing your claim and typically include the cost of obtaining medical or other expert reports

HOW DOES IT WORK?

- The loan is non-recourse, which means you only have to repay the loan if your claim is successful
- There are no monthly payments required
- You pay nothing until your case successfully resolves
- The advance is repaid direct from your settlement
- We approve a credit facility limit which is drawn down as needed

WHAT IS REQUIRED?

- We only work with experienced personal injury lawyers
- So your lawyer needs to be part of our accredited network
- You need to have a strong claim for compensation
- You need to provide your lawyer with instructions to repay your loan on your behalf from the settlement proceeds
- We also ask that your lawyer guarantee the loan

#### WHAT DOES IT COST?

- All our Quantum Personal Injury Loans are provided at the same competitive rate
- Ask your lawyer for details on our current rate

#### HOW DO I APPLY?

- Ask your lawyer for a copy of our application form
- They will help you complete and lodge the application

#### BENEFITS

**Non recourse loan** don't win your case – don't repay the loan

**Line of Credit facility** only pay interest on drawn down funds

**Convenience** if your lawyer is a member of our trusted network of experienced personal injury lawyers they can make all the arrangements for you
