THE BENEFITS OF A QUANTUM ADVANCE

THERE IS A LOT AT STAKE – IT PAYS TO BE WELL REPRESENTED

- In family disputes there is a lot at stake
- The difference between a good outcome and a poor outcome can be significant
- Generally, you only get one chance at securing your future
- To obtain the best possible outcome it is important to be well represented by an experienced family lawyer
- Quantum only provides funding to a carefully selected group of expert family law practitioners, ensuring you get the best possible outcome

LEGAL COSTS CAN BE SIGNIFICANT

- Resolving family disputes can be expensive and the costs unpredictable
- Expenses can vary significantly from month to month
- Meeting these regular legal expenses can be a real burden on families
- An inability to regularly meet legal bills can cause delay in the conduct of your case
- A lack of funds can force you to make compromises, perhaps in the selection of experts or barristers, which can adversely affect the outcome you achieve

FAMILY DISPUTES CAN BE LENGTHY

- Family disputes can take some time to resolve, often longer than you expect
- It can be difficult to sustain the costs of family litigation for extended periods, over one to two years (or even longer)

- Ask your lawyer for details on the current rate

IS IT ONLY FOR LEGAL EXPENSES?

Although the loan is intended primarily to cover legal fees, a Quantum Advance can be used for a range of expenses such as school costs, living expenses or other family bills.
